Trinity Church as a Gracious Space

11:15 am, Lloyd Forum

Trinity's location "in the City of Boston" affords us the privilege and responsibility of welcoming the world into our historic worship home. Some who visit have come to patronize a New England landmark; some have come to nourish a spiritual longing; and some have come for a moment of rest. On Sundays, March 1, 8, 15, and 22, join the Rector as we consider: What dispositions does our congregation's unique identity ask us to cultivate and support in ourselves and in one another? What are the stakes of our engagement with one another and with the world? What basic practices could we adopt to be an ever more gracious space?
